ATTENTION: The batteries included in this unit are only intended for in-store demonstration. It is possible that they may become weak or discharged prior to purchase and the customer may find it necessary to replace the included batteries with fresh cells to ensure proper operation.

Replacement of batteries must be done by an adult.
Dispose of batteries safely.
Never dispose of batteries in fire, as they may leak and explode.

Requires 3 x AA (LR6) batteries (included)

Battery Instructions

1. Remove batteries when not in use or discharged.
2. Do not mix old and new batteries.
3. Do not use rechargeable batteries.
4. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.

CAUTION: Changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
- This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:
- (1) This device may not cause harmful interference, and
 - (2) This device must accept any interference received, including interference that may cause undesired operation.
